Campfires was also a form of storytelling performed around an open fire at night and mostly in the wilderness. We see it in today modern campfires stories with Girls Scouts and Boy Scouts of America and even with good old family reunion barbecue in the front or backyard. Glory is a book of legendary football stories that helps us understand our differences in culture with other peoples so that we can connect and communicate in love and make new friends through story telling.

The year 1966 marked the birth of the National Football League as we know it, when owners in the NFL and the upstart American Football League agreed to an unprecedented merger, to take place at the start of the 1970 season. They also agreed to play, beginning at the end of the '66 season, a game between each league's champion—a game that came to be called The Super Bowl. The Birth of the New NFL tells the story of that historic season, leading to the game between the Green Bay Packers and the Kansas City Chiefs. It also tells the off-the-field story, the one between warring owners and cities—a story often more brutal than the one on the field. Larry Felser has interviewed the leading men of the day, from Al Davis and Jack Kemp, to Wellington Mara, Art Modell, Lamar Hunt, Gene Upshaw, Dan Rooney, and many others. He presents the struggles of top teams for the chance to represent their respective leagues in the biggest game ever, while also offering a behind-closed-doors view of the wheeling and dealing it took to reach the agreement.

For over 50 years, we have watched as television has entertained, informed, comforted, and thrilled us. We watched as sitcoms evolved from I Love Lucy to All in the Family: at first merely amusing, then becoming reflections of society and pushing the cultural boundaries. We watched President Kennedy, the first-born of television and politics, unite us in the optimism of his "new frontier" and in the grief of his assassination. Television has taken us to the scene of mass celebrations, such as the wedding of Lady Diana to Prince Charles, to calamities in Munich and New York, and into frightening fields of battle in Vietnam and Iraq. Television exposed the imperfections of the jurors' box in the trial of O.J. Simpson and the ballot box in Election 2000. Television put us in the front row when Hank broke Babe's record, when the U.S. hockey team beat the Soviets in Lake Placid, and when the NFL spilled over from Sunday afternoons to Monday nights. Over 50 years of memories—the stars, the programs, and the events stored in our hearts and imaginations like treasured heirlooms—are found in this new hardcover multimedia book from veteran New York Times best-selling author Joe Garner. In Stay Tuned, he has gathered 36 landmark moments from news, sports, and entertainment in a riveting anthology. Each story comes to life through detailed, behind-the-scenes accounts and firsthand anecdotes, and is illustrated with hundreds of poignant black-and-white and color photographs. The book's accompanying CDs and DVD feature the corresponding clips, narrated by Walter Cronkite for news, Bob Costas for sports, and (TK) for entertainment. TV's Unforgettable Moments is certain to become an important and lasting chronicle of the medium—and a best-seller in the process.
