IN THE GARDEN: Gifted elephant ears better off stored until spring by Janet B. Carson | Today at 1:45 a.m. Most elephant ears are winter hardy, but it's too cold to plant bulbs in December.

An Elephant in the Garden is Simon Reade's new adaptation of Michael Morpurgo's best-selling children's novel. 1945. Dresden, Germany. Lizzie, her mother – and an elephant from the zoo, flee the Allied fire-bombing in the end-game of the Second World War. Escaping the Allies' advance from the West – and also the advancing Russian armies from the East – this extraordinary trio of refugees meet: a downed RAF officer, cowering in a barn; a homeless school choir on the run and their Countess saviour, harbouring them from the Nazis; and the mechanised American cavalry, appearing over the horizon. It is Lizzie's story – but Marlene, the elephant, is the heroine. Plodding, obdurate, opportunistic, loadbearing, indestructible, cheering – Marlene embodies the stubbornness of the human will and how it will do everything to survive.

Lizzie and Karl's mother is a zoo keeper; the family has become attached to an orphaned elephant named Marlene, who will be destroyed as a precautionary measure so she and the other animals don't run wild should the zoo be hit by bombs. The family persuades the zoo director to let Marlene stay in their garden instead. When the city is bombed, the family flees with thousands of others, but how can they walk the same route when they have an elephant in tow, and keep themselves safe? Along the way, they meet Peter, a Canadian navigator who risks his own capture to save the family. As Michael Morpurgo writes in an author's note, An Elephant in the Garden is inspired by historical truths, and by his admiration for elephants, "the noblest and wisest and most sensitive of all creatures." Here is a story that brings together an unlikely group of survivors whose faith in kindness and love proves the best weapon of all.

ONE OF NPR'S BEST BOOKS OF 2019 A "warm and funny and honest...genuinely unputdownable" (Curtis Sittenfeld) memoir chronicling what it's like to live in today's world as a fat man, from acclaimed journalist Tommy Tomlinson, who, as he neared the age of fifty, weighed 460 pounds and decided he had to change his life. When he was almost fifty years old, Tommy Tomlinson weighed an astonishing—and dangerous—460 pounds, at risk for heart disease, diabetes, and stroke, unable to climb a flight of stairs without having to catch his breath, or travel on an airplane without buying two seats. Raised in a family that loved food, he had been aware of the problem for years, seeing doctors and trying diets from the time he was a preteen. But nothing worked, and every time he tried to make a change, it didn't go the way he planned—in fact, he wasn't sure that he really wanted to change. In *The Elephant in the Room*, Tomlinson chronicles his lifelong battle with weight in a voice that combines the urgency of Roxane Gay's *Hunger* with the intimacy of Rick Bragg's *All Over but the Shoutin'*. He also hits the road to meet other members of the plus-sized tribe in an attempt to understand how, as a nation, we got to this point. From buying a Fitbit and setting exercise goals to contemplating the Heart Attack Grill in Las Vegas, America's "capital of food porn," and modifying his own diet, Tomlinson brings us along on a candid and sometimes brutal look at the everyday experience of being constantly aware of your size. Over the course of the book, he confronts these issues head-on and chronicles the practical steps he has to take to lose weight by the end. "What could have been a wallow in memoir self-pity is raised to art by Tomlinson's wit and prose" (Rolling Stone). Affecting and searingly honest, *The Elephant in the Room* is an "inspirational" (The New York Times) memoir that will resonate with anyone who has grappled with addiction, shame, or self-consciousness. "Add this to your reading list ASAP" (Charlotte Magazine).

From the New York Times bestselling author of *Counting by 7s* comes a heartfelt story about "the importance of compassion and bravery when facing life's challenges" (Kirkus) for fans of *The One and Only Ivan* and *Front Desk*. It's been almost a year since Sila's mother traveled halfway around the world to Turkey, hoping to secure the immigration paperwork that would allow her to return to her family in the United States. The long separation is almost impossible for Sila to withstand. But things change when Sila accompanies her father (who is a mechanic) outside their Oregon town to fix a truck. There, behind an enormous stone wall, she meets a grandfatherly man who only months before won the state lottery. Their new alliance leads to the rescue of a circus elephant named Veda, and then to a friendship with an unusual boy named Mateo, proving that comfort and hope come in the most unlikely of places. A moving story of family separation and the importance of the connection between animals and humans, this novel has the enormous heart and uplifting humor that readers have come to expect from the beloved author of *Counting by 7s*. "I couldn't stop reading—I had to find out what would happen. An unusual and lovely real-life fairy tale." —Linda Sue Park, New York Times Bestselling author of *A Long Walk to Water* "A gorgeous and emotional novel. I loved every page." —Cynthia Kadohata, Newbery Medal-winning author of *Kira-Kira*

Bored with her little brother Pog's childish games, Dindy decides that she's finally grown-up enough for a real adventure. While her mother is sleeping and the servants are busy, she takes Pog deep into the tea gardens, a place they are never supposed to go alone. Terrified by wild animals and snubbed by the local children, Dindy starts to realize how little she really knows about India, even though it's the only place she's ever called home. But little does she know her life is about to be turned upside down when her mother is taken ill and her father tells her they are leaving India, for good. Dindy and the Elephant by Elizabeth Laird is a wonderful portrait of a young British child coming to terms with leaving her beloved childhood home, while at the same time realizing that many of the things she has been raised to believe are wrong.
