Excerpt: Kain is the central character of the Legacy of Kain series. Initially portrayed as a murdered nobleman brought back from the dead as a vampire to take revenge against his murderers, Kain comes to embrace his vampiric powers and turns his back on his duty as the predestined guardian of the Pillar of Balance to rule Nosgoth in its decay. However, he develops a legitimate desire to save his homeland by defying his fate and returning the Pillars to the Vampires. Raziel is a player character of several games in the Legacy of Kain series and the titular character of the Soul Reaver sub-series. He is both referred to personally as a reaver of souls, and is wielder of the weapon known as the Soul Reaver (which also happens to be his own future soul trapped in the form of the physical blade). Raziel stands in contrast to Kain as an ethically upright character; however, the treacherous situations in which he finds himself rarely lend themselves to unambiguous ethical judgments, and he often ends up doing the wrong thing for the right reason. Anacrothe is an antagonist character in Blood Omen, one of the insane sorcerers
