Two additional chapters have been added to this resource in response to the training package updates in March 2015 that affected BSB42015 and BSB51915. These chapters are: Develop and use emotional intelligence and Leading and working with people. Looking for a blended digital solution? Get Connect! Connect is an online resource hosting an abundance of interactive learning tools to create the ultimate learning experience for your students. Click here for more information. The new edition of Judith Dywers best-selling Management text has been updated and mapped to both Certificate IV in Frontline Management and Diploma of Management in the BSB07 Business Services Training Package. Written in plain English, with extensive use of succinct tables, diagrams and a full-colour internal design, this text conveys information to the reader easily and is ideal for visual learners. The text encourages learning with a logical pathway: the theory is presented, the reader is asked to reflect with Ask Yourself questions and then the student is engaged in practical applications with Apply Your Knowledge sections. This is an invaluable teaching tool for all management students and lecturers in the VET sector. Scope Management Strategies and Skills, 2e is mapped to both Certificate IV in Frontline Management and Diploma of Management in the BSB07 Business Services Training Package.

Kris Cole throws light on the gap between theory and practice in the 5th edition of Management - Theory and Practice. She explains management theory in everyday language, and puts it in a context that makes it easy to understand. This resource will help you develop the vocabulary you need to communicate effectively with colleagues and equips you with models and frameworks to tackle management challenges. In addition it will enable you to strengthen your 'hard skills', like managing

Combines the techniques of fiction and nonfiction in order to tell the story of the love between Susette Gontard ("Diotima") and the poet Friedrich Holderlin.

All the fundamentals. No fluff. Learn more with less! A truly revolutionary American Government textbook, Christine Barbour's AmGov: Long Story Short, responds to the needs of today's students and instructors through brevity and accessibility. The succinct ten chapters are separated by tabs that make it easy to skim, flip, revisit, reorient, and return to content quickly. Reading aids like bullets, annotations and arrows walk students through important facts and break up the material in short, engaging bites of information that highlight not only what is important but why it's important. Though brief, this core book is still robust enough to provide everything that students need to be successful in their American
