Chemistry Survival Guide

One area of survival or preparedness for TEOTWAWKI that doesn't get discussed a lot is chemistry. I am by no means a chemist but I have always had an interest in chemistry and am a member of my local Hazardous Materials Response Team. While in the Army I was also on my unit's Nuclear, Biological and Chemical (NBC) reconnaissance team.

Chemistry I Minecraft: Education Edition

It is a very overpriced booklet. It has a few decent pieces of advice. It really doesn't have much to do with "chemistry." It's more accurate to say it's a cheap anarchist cook book. Many of the recipes require chemicals that you would not easily be able to make if at all. For "survival" books on bush craft will be more helpful.

Plan to give time to organic. Set aside time to read the material, do the homework, and study. You'll also need some downtime to relax. Getting away from it for a while really helps the material "click". Do not expect to just go to class and lab and call it a day. One of the biggest survival tips is to plan your time.
