So when developer Ian McKay shows up in Peaks with plans to build condos where her café and a vital town ministry are located, she isn't about to let go without a fight. As stubborn as he is handsome, Ian won't give up easily. His family's business depends on his success in Peaks. But as Ian pushes to seal the deal, he wonders if he has met his match. Robin's gracious spirit threatens to undo his resolve, especially when he discovers the beautiful widow harbors a grief that resonates with his own. With polarized opinions forming all over town, business becomes unavoidably personal and Robin and Ian must decide whether to cling to the familiar or surrender their plans to the God of Second Chances.
