How Cultural Marxism Is Grinding Christianity Down ...

Family law is an essential dimension of women's citizenship in the modern state. The rights established in family law shape women's agency and autonomy; they also regulate access to basic resources—such as land, income, and education—that determine a citizen's ability to earn a living independently, among other life chances (Agarwal 1994; Deere and León 2001; Kabeer 1994; Okin 1989; World ...

premise is false. Law can and does perform all of these different relationships to culture.<sup>2°</sup> With regard to the family, for example, law enforces antecedent cultural norms when it establishes parental obligations that reflect traditional family roles.<sup>2'</sup> Law modifies these 16.

Law and Cultural Conflict  
Religion has played an important role in human society for many years. As a result, families have helped promote and preserve religious beliefs and traditions. For many years, studies have examined the way religion has affected human relationships,

## In Ociation With Religare

Role of Religion: How Religion Affects Family Relationships  
Decision making about sexual practices and family formation has become complex for those who identify with counter-cultural and sub-cultural groups (or who simply ascribe to traditional views about sexuality and family life). The widening gap between modern and traditional family norms and values has created an internal dissonance between societal and group specific beliefs about many aspects ...

Religion can have a very positive  
impact on family values, and it  
can just as easily have a  
negative impact on family values.  
The basic fact is that every  
religion has its very good and  
rounding points and it has its  
share of flaws, regardless of  
which religion you encounter.
