In the Freeletics Nutrition app, you've got three options: it's either you've done strength, endurance or team sports training. Then, you log in your work out time. In my case, I went for a 50 min run yesterday and as I was entering it in my app, I was "granted" a protein-packed post-workout snack.

1. What is Freeletics? Freeletics is a suite of fitness applications for iOS and Android, able to personalize workouts and nutrition advice. For me, the most popular is their bodyweight app. But the Freeletics crew offers body weight, gym, running and nutrition training programs. I know having four separate aspects may seem like a lot to keep up with, but coaching and automated scheduling is available for each of the Freeletics programs.
