Get Coding does a great job of introducing HTML and CSS, but barely scratches the surface of JavaScript. It's still OK, though, because it's a reasonable price for the amount of coverage, and JavaScript would require another book this length anyway, so the brief introduction serves as more of a cliffhanger at the end of the book, prompting you to find another JS title to continue the journey.

I love the idea behind Get Coding! Learn HTML, CSS & JavaScript and build a website, app & game. I think the developers can really make this work. The 'helping of the Professor', the slow reveal of the 'story', and other elements combine to make learning feel a bit less like learning and a bit more like fun.
