Hold Me Like A Breath

Review posted on The Eater of Books! blog Hold Me Like a Breath by Tiffany Schmidt Book One of the Once Upon a Crime Family series
Publisher: Bloomsbury Publication Date: May 19, 2015 Rating: 3 stars Source: ARC sent by the publisher Summary (from Goodreads): Penelope Landlow has grown up with the knowledge that almost anything can be bought or sold—including body parts. She's the daughter of one of the three crime families that control the black market for organ transplants.

Hold Me Like a Breath by Tiffany Schmidt - Goodreads

Hold Me Like a Breath is a book about a criminal family. Penelope's father makes it possible for people whose name won't be added to the legal transplant list to have a donor organ anyway. What they do is against the law, but it's admirable at the same time. I liked that idea very much. It's a creative theme for a story and one that works.

In Penelope Landlow's world, almost anything can be bought or sold. She's the daughter of one of the three crime families controlling the black market for organ transplants. Because of an autoimmune disorder that causes her to bruise easily, Penny is considered too "delicate" to handle the family business, or even to step foot outside their estate. All Penelope has ever wanted is independence ...

Hold Me Like a Breath is the story of the Princess. Who she is, where she came from, what she's seeking at that "castle." By the time we reach this point in the story, Penny is not the same girl we started with. She's become the heroine, not the victim. Which is the best kind of fairy tale of all.

Hold Me Like a Breath: Once Upon a Crime Family by Schmidt ...

Hold Me Like A Breath was just an okay read for me - I had major issues connecting with the characters and themes, and I really wished there had been more done to deepen my understanding of Penny's disease and issues with organ transplants. An interesting, if flawed, fairy-tale retelling. HOLD ME LIKE A BREATH is out today.

"You've Changed": Hold Me Like a Breath by Tiffany Schmidt ...

Hold Me Like a Breath is an alluring novel, written by Tiffany Schmidt. Penelope Landlow has grown up with the knowledge that almost anything can be bought or sold - including body parts. She's the daughter of one of the three crime families that control the black market for organ transplants. Penelope's surrounded by all the suffocating privilege and protection her family can provide, but they can't protect her from the autoimmune disorder that causes her to bruise so easily.

Hold Me Like a Breath - book review - Written Word Worlds

Deadly family secrets, tense situations, surprising truths, and captivating romance kept me in suspense from 'Once upon a time' to 'ever after'. Hold Me Like a Breath is a gripping modern thriller for readers who still love fairy tales and people who think they've outgrown them. This is an offer you can't refuse! -- E. C.
