build arithmetic skills. With fluency drills and visual models within 100, children ages 8 and up build math fact knowledge and a deeper understanding of multiplication concepts. Spectrum Flash Cards support the skills your child needs to know. Each 100-card set addresses essential skills for early childhood education. Letters & Numbers and Colors & Shapes help young learners grasp early math and reading concepts. First Words build reading readiness through word-image association, while Sight Words help students identify high-frequency words in their reading. Addition, Subtraction,

world has lost: space, roots, traditions, awesome beauty, true wilderness, rare animals, and extraordinary people. In this wonderful and haunting collection of stories, Kuki Gallmann writes of her life in Africa, where every day brings challenge and adventure. African Nights is a treasury of memories, in which fascinating people and places are brought to life. The healing powers Africa can have on those who embrace the land as a place of mystery, superstition, danger, and beauty.
