The nine stories comprising Internal Medicine loosely reflect Holt\u2019s experience as an internal medicine resident, describing the shocks and changes, both subtle and profound, he undergoes in becoming a doctor. The doctor in the stories is named \u201cHarper\u201d and the patient cases are compositely drawn so that Internal Medicine occupies a grey area in between fiction and non-fiction.

Internal Medicine: A Doctor's Stories by Terrence Holt

Internal Medicine captures the stark moments of success and failure, pride and shame, courage and cowardice, self-reflection and obtuse blindness that mark the years of clinical training (Jerome Groopman, New York Review of Books), portraying not only a doctor s struggle with sickness and suffering but also the fears and frailties each of us doctor and patient bring to the bedside."

Internal Medicine - Tryon Medical Partners

Internal medicine or general internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of internal diseases. Physicians specializing in internal medicine are called internists, or physicians in Commonwealth nations. Internists are skilled in the management of patients who have undifferentiated or multi-system disease processes. Internists care for hospitalized and ambulatory patients and may play a major role in teaching and research. One thing to note is t
