The Journal of Business Research applies theory developed from business research to actual business situations. Recognizing the intricate relationships between the many areas of business activity, JBR examines a wide variety of business decisions, processes and activities within the actual business setting. Theoretical and empirical advances in buyer behavior, finance, organizational theory and behavior, marketing, risk and insurance and international business are evaluated on a regular basis.

# Read Free Journal Of Academic And Business

**Description:** The Journal of Business ceased publication with the November 2006 issue (Volume 79, Number 6). Founded in 1928, The Journal of Business was the first scholarly journal to focus on business-related research and played a pioneering role in fostering serious academic research about business. However, in appreciation of the increasing specialization in business scholarship, as ...

The Journal of Business on JSTOR  
The journal's editors aim to publish content that is both academic and practical; while the journal welcomes academic or technical analysis of business theory, that analysis must be accessible to executives who wish to utilize the information in their everyday lives.
