Manufacturing Shop Traveler Template

Manufacturing travelers are instructions that travel with a part as it is built. They are printed at the time of job release and travel with the job as it moves through the shop to different workstations. As each product step happens, the traveler tracks the status of operations and activities performed by workers.

Manufacturing Traveler Automation | Shop Traveler ...

The job traveler is a simple document, but perhaps one of the most crucial in any fabricating shop. Without that document, a pallet of parts becomes a very large paperweight. The document provides the context to turn the act of value creation into cash.

Getting standard work instructions right for fabricating
