Medium Dead
Mediums bridge the gap between the living and the deceased. In other words, "a medium is someone who is able to communicate with souls on the other side" Kellee White, a licensed psychotherapist and spiritual medium, says. However, contrary to popular belief, mediums do not speak with the dead. "There is no such thing as death," White explains.

Mediums Don't Actually "Talk" to the Dead - Oprah Magazine
Medium Dead by Paula Paul is An Alexandra Gladstone Mystery novel. It is the fourth novel in the series. However, Medium Dead can be read without having read the other books in this series. Dr. Alexandra Gladstone is the local doctor for Newton-upon-Sea.

Medium Dead (Dr. Alexandra Gladstone #4) by Paula Paul
Drew Barrymore's ex-husband said his dead relatives would never talk to the psychic on her talk show, calling the medium a 'submental hack.'

Directed by Richard Pearce. With Patricia Arquette, Miguel Sandoval, David Cubitt, Sofia Vassilieva. Allison's vision of a murder could potentially derail Devalos' reelection campaign, and when Devalos keeps getting upstaged in court, it's up to Allison to find out the truth.

"Medium" Dead Aim (TV Episode 2005) - IMDb
Mediumship is the practice of purportedly mediating communication between spirits of the dead and living human beings. Practitioners are known as "mediums" or "spirit mediums". There are different types of mediumship or spirit channelling, including seance tables, trance, and ouija.. Mediumship gained popularity during the nineteenth century, when ouija boards were used by the upper classes ...

Allison's dreams of pigs may lead to finding a young animal rights activist, Melissa Treynet, who has been missing for a few weeks. The DA's office has been asked to mediate between Victoria Gossett, the head of an animal rights group, and a local pork processing facility. Gossett is slinging wild accusations that Melissa, who was sent in undercover to work in the plant and document acts of animal cruelty, was killed because of what she found.

The Hollywood Medium Group-Chattd Me and My Dead Granddad Tyler Henry can talk to The Other Side. At least, that's the premise of his show on E! where he helps people like Khloe Kardashian and ...

The deadly silence is about to be broken.She disliked the company of others and death did little to warm her spirit. She had led an independent life and she faced death in much the same way. She was finally alone, finally free from the mindless babble of others, at least that's what she thought. May Elizabeth Trump was the rarest of spirits and she was none too happy about it either. She was a dead medium, a ghost who can speak with the living, and her services were to become in great demand. Flung into the limelight and smothered with unwanted attention, May soon discovers that it is not only ghosts with long awaited messages that have taken an interest in her. Something dark was lurking in the shadows, stalking her. Even the dead are not left to rest in peace.Dead Medium: A humorous, character driven story and a unique vision of life after death. Not your average ghost story.

"I was hooked by the end of page one and laughing out loud by the middle of page two. Finally, a new author as witty and sassy as Janet Evanovich." -- Lark Susak
Medium Dead is a fun urban fantasy chronicling the crime fighting adventures of Brenda - a reluctant medium - and Brian - a Vigilante Demon with an impish sense of humour. Think Stephanie Plum with magic and a dash of Carl Hiaasen. Brenda Steele is smart, funny and out of her depth. A Vigilante Demon called Brian wants her to find murdered spirits and help him track down their killers. But Brian doesn't just catch criminals, he likes to play with them first, and make the punishment fit the crime. As he tells Brenda, "if all you did was turn up, capture the bad guy then leave - century after century - you'd die of boredom." He's also reckless - his last partner died during one of his takedowns. Along the way, Brenda discovers that Brian isn't as old, or as powerful, as he led her to believe. He might even be human. Whereas the murderer they're hunting, and the child he's holding prisoner, might not.

Sure to delight readers of Jacqueline Winspear, Emma Jameson, and Laura Childs, this short novel features Queen Victoria herself!and she's rumored to have slain a local psychic in Newton-upon-Sea. Now the task of clearing her name and catching the real killer falls to Dr. Alexandra Gladstone. Under Victoria's reign, women are barred from calling themselves physicians, but that hasn't stopped Alexandra Gladstone. As the first female doctor in Newton-upon-Sea, she spends her days tending sick villagers in the practice she inherited from her father, with her loyal and sometimes overprotective dog, Zack, by her side. After the corpse of village spiritualist Alvina Elwold is discovered aboveground at a church boneyard, wild rumors circulate through the charming seaside village, including one implicating a certain regal guest lodging nearby. Tales of the dead Alvina hobnobbing with spirits and hexing her enemies are even more outlandish,but as a woman of science and reason, Alexandra has no doubt that a murderer made of flesh and blood is on the loose. Finding out the truth means sorting through a deluge of ghostly visitors, royal sightings, and shifty suspects. At least her attentive and handsome friend Nicholas Forsyth, Lord Dunsford, has come to her aid. Alexandra will need all the help she can get, because she's stumbled upon dangerous secrets!while provoking a deadly adversary who wants to keep them buried.
Prize for Medium Dead |An entertaining cozy mystery written with vivid historical detail. . . . If you like reading historical mysteries with just a hint of romance, then Medium Dead should be right up your street.!!Fictionophile |There are more than a few scenes where Alexandra's dog, Zack, steals the show.!!Reading Reality |I would recommend this to fans of the Maisie Dobbs series. There's a strong female character in a historical setting.
She's determined, logical, intelligent and faces an unusual situation.!!The Reader's Hollow Praise for Paula Paul's Alexandra Gladstone mysteries |The Dr. Alexandra Gladstone series by Paula Paul presents an intriguing mixture of mystery, romance, and history. I especially love the way real personalities from the past keep popping up to intermingle with Paul's fictional characters.!!Lois Duncan, award-winning and bestselling author of Killing Mr. Griffin and I Know What You Did Last Summer |A lively mixture of ruling class murder, Victorian morals, and love.!!Bestselling author Tony Hillerman

In Your Life After Their Death, psychic medium Karen N shows you how to move on and enjoy life again after you've lost a loved one. As she often states, "Your deceased loved ones are okay and want you to be, too " Karen offers sympathetic yet practical advice as a person who has also suffered through loss and wants to share what she's found to be most helpful. She guides you through healing techniques she's used with herself and clients, such as the Emotional Freedom Technique (also known as tapping), Ho'oponopono, the Law of Attraction, energy healing, prayer, and meditation. She also shows you how to maintain your connection with your loved ones—and even your pets --who have passed away. You'll learn how to communicate with them and recognize "without a doubt" signs from them, as well as how to connect with a reputable psychic medium. In this very handy book, you'll discover how you can keep the memory of your loved ones alive while moving on with the rest of your life--so you can heal your life after their death.

Modern mystic and psychic medium Susan K. Morrow shares her stories about visitors from the Other Side in this fascinating book. Sit next to her as she reads for her clients and communicates with spirits.

Here is the story of Jerry Weintraub: the self-made, Brooklyn-born, Bronx-raised impresario, Hollywood producer, legendary deal maker, and friend of politicians and stars. No matter where nature has placed him—the club rooms of Brooklyn, the Mafia dives of New York's Lower East Side, the wilds of Alaska, or the hills of Hollywood—he has found a way to put on a show and sell tickets at the door. "All life was a theater and I wanted to put it up on a stage," he writes. "I wanted to set the world under a marquee that read: 'Jerry Weintraub Presents.'" In WHEN I STOP TALKING, YOU'LL KNOW I'M DEAD, we follow Weintraub from his first great success at age twenty-six with Elvis Presley, whom he took on the road with the help of Colonel Tom Parker; to the immortal days with Sinatra and Rat Pack glory; to his crowning hits as a movie producer, starting with Robert Altman and Nashville, continuing with Oh, God!, The Karate Kid movies, and Diner, among others, and summing with Steven Soderbergh and Ocean's Eleven, Twelve, and Thirteen. Along the way, we'll watch as Jerry moves from the poker tables of Palm Springs (the games went on for days), to the power rooms of Hollywood, to the halls of the White House, to Red Square in Moscow and the Great Palace in Beijing—all the while counseling potentates, poets, and kings, with clients and confidants like George Clooney, Bruce Willis, George H. W. Bush, Armand Hammer, Brad Pitt, Matt Damon, Bob Dylan, Led Zeppelin, John Denver, Bobby Fischer . . .well, the list goes on forever. And of course, the story is not yet over . . .as the old-timers say, "The best is yet to come." As Weintraub says, "When I stop talking, you'll know I'm dead." With wit, wisdom, and the cool confidence that has colored his remarkable career, Jerry chronicles a quintessentially American journey, one marked by luck, love, and improvisation. The stories he tells and the lessons we learn are essential, not just for those who love movies and music, but for businessmen, entrepreneurs, artists . . . everyone.

Highly unorthodox questions and answers about life after life from America's most delightful medium Concetta Bertoldi has been communicating with the "Other Side" since childhood. In her previous book, the bestselling Do Dead People Watch You Shower?, she addressed questions about the afterlife that ranged from the poignant to the provocative. Now she returns with Do Dead People Walk Their Dogs?, a second volume of intriguing observations about our beloved deceased. Moving, funny, and fascinating, it will open your eyes to what really comes after life!while offering intimate insights into Concetta's own astonishing life and what her gift has meant to her marriage, her friendships, and the path she was destined to take.

#1 NEW YORK TIMES BESTSELLER □ The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own words!featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN | NOMINATED FOR THE NAACP IMAGE AWARD Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of □Uptown□ to the mythical landscape of Purple Rain to the psychedelia of □Paisley Park.□ But his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars of any era. The Beautiful Ones is the story of how Prince became Prince:a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince's early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince's evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book's fourth section: his original handwritten treatment for Purple Rain!he final stage in Prince's self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenberg's riveting and moving introduction about his profound collaboration with Prince in his final months/a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he'd so carefully cultivated!and annotations that provide context to the book's images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince's ideas and vision, his voice and image/his undying gift to the world.

We have all heard ghost stories and heard of things that go bump in the night. Sometimes these things may be more than we bargained for. The stories within this book are a witness to something beyond our scope of physical sight, laying somewhere between realms, worlds, life and death. The mystery of life unfolds with us trying to grasp at things we will never understand by science alone. Maybe people do have "spiritual hitchhikers" they pick up along the way in life. Could it be that many of the mental and physical issues people have are being driven by spiritual attachments or "other things" influencing their behaviors? May grief, addiction and depression issues be a result of things "impressing" upon our psyche? Can that create the state of paralysis, where depression feeds the emotional vampires holding each of us hostage? These stories paint a picture of hope that through awakening those energies, people can heal their lives and remove the obstacles holding them hostage mentally, physically and spiritually.
