To avoid being thrown in jail for abortion, she becomes the sexual slave of a depraved aristocrat and enters his seraglio. After many tribulations involving a wedding, all sorts of abuse, the return of a long lost lover, widowhood, and extensive sex scenes all described in great detail in the first three parts of the saga, Janice finds herself free. Her enemies are all dead, her husband left her his fortune, but England and its uptight manner will reject this merry widow and so she decides to leave Old Albion and to travel to Venice, the Italian city that welcomes lovers from all over the world. The story of her travels and her meetings with famous people is detailed in this new episode of her adventures. By the way, two pages of this volume were misprinted in the original German. In Mordin On Time, Nick Mordin sets out his method for answering the most fundamental question facing punters in any race, namely: which is the fastest horse? He was timing the sections of races with a stop watch, estimating wind strength and direction, adjusting for movements of running rails, using projected times and calculating average times years before the best-selling American books on speed rating were published. This new edition incorporates much new material, including standard times for all Irish racecourses (plus the major French ones). Mordin On Time enables the reader to construct their own speed ratings wherever they live.

With these two passionate, vividly realistic novels, The Pretenders and Mass, F. Sionil José concludes his epochal Rosales Saga. The five volumes span much of the turbulent modern history of the Philippines, a beautiful and embattled nation once occupied by the Spanish, overrun by the Japanese, and dominated by the United States. The portraits painted in The Samsons, and in the previously published Modern Library paperback editions of Dusk and Don Vicente (containing Tree and My Brother, My Executioner), are vivid renderings of one family from the village of Rosales who contend with the forces of oppression and human nature. Antonio Samson of The Pretenders is ambitious, educated, and torn by conflicting ideas of revolution. He marries well, which leads to his eventual downfall. In Mass, Pepe Samson, the bastard son of Antonio, is also ambitious, but in different ways. He comes to Manila mainly to satisfy his appetites, and after adventures erotic and economic, finds his life taking a surprising turn. Together, these novels form a portrait of a village and a nation, and conclude one of the masterpieces of Southeast Asian literature.
