Should you set up a weekly or
monthly budget? A weekly budget
might enable you to go into more
detail but it might not be accurate
if certain expenses to not occur
each week. However, if you get
paid weekly, you might prefer to
use a weekly budget tracker. A
monthly budget tracker will
probably be more accurate and is
better when you are paid monthly.

Weekly Budget Template helps in
allocating the budget for the one
week or bi-weekly for various
expenses at the start of week and
then calculates the difference at
the end of the week or even at the
end of the month. You can allocate
the budget for a week or bi-weekly
and record the actual amount being
used against each category during
the week. This difference of the
allocated budget and the actual
budget incurred gives the total
expense incurred.
