Mythologies (Points essais) (French Edition): Barthes ...

In his book *Mythologies*, Barthes undertakes a semiotic commentary of popular cultural objects well known in the French community such as steak and chips, wrestling, and even soap power and detergents; unearthing the symbolic value of these objects in relation to their claim of universality, at times finding that some objects retain significations interrelated with the bourgeoisie and capitalist cultures. He resolves to call the cultural power of these objects 'myths'.
