Awesome book. It's totally inspired by football-mad 6.5 year old to get into his reading and it's half-way interesting for me to read with him which makes a change from the previous kids books we would read together. I would highly recommend this book series.

Neymar The Wizard by Michael Part is probably one of the most thrilling and exciting books I've read about the story of Neymar Junior, the soccer star from Mogi Das Cruzes in Brazil. This book is an emotional story about a father and son who became national superstars through hard work and practice.
