Abigail and Dwayne Shoppa (pictured here) Austin, Texas Ages 29 and 33 Married nine months Abigail: I never met men through my job (I'm a real estate investor). So instead I had the bad habit of reigniting old relationships, seeing if I could make them work

"When we are happy, we are always good," says Lord Henry, "but when we are good, we are not alway happy."Lord Henry's lazy, clever words lead the young Dorian Grey into a world where it is better to be beautiful than to be good; a world where anything can be forgiven - even murder - if it can make people laugh at a dinner party.

Winner of the Booker Prize as best novel of the year in 1983, Heat and Dust was also made into a major motion picture starring Julie Christie, now regarded by many as a classic.

Heat and dust - these simple, terrible words describe the Indian summer. Year after year, endlessly, it is the same. And everyone who experiences this heat and dust is changed for ever. We often say, in these modern times, that sexual relationships have changed, for better or for worse. But in this book we see that things have not changed. Whether we look back sixty years, or a hundred and sixty, we see that it is not things that change, but people. And, in the heat and dust of an Indian summer, even people are not very different after all.

Atlanta magazine's editorial mission is to engage our community through provocative writing, authoritative reporting, and superlative design that illuminate the people, the issues, the trends, and the events that define our city. The magazine informs, challenges, and entertains our readers each month while helping them make intelligent choices, not only about what they do and where they go, but what they think about matters of importance to the community and the region. Brat poses as an heir to the Ashby fortune and becomes more involved in family affairs than he wishes.

Now available for the first time in print, the dictionary is the most comprehensive and reliable English-language resource for terminology used in all types of libraries. With more than 4,000 terms and cross-references (last updated January, 2003), the dictionary's content has been carefully selected and includes terms from publishing, printing, literature, and computer science where, in the author's judgment, they are relevant to both library professionals and laypersons.
