What's next? is a question we all have to ask and answer more frequently in an economy where the average job tenure is only four years, roles change constantly even within that time, and smart, motivated people find themselves hitting professional plateaus. But how do you evaluate options and move forward without getting stuck? Jenny Blake—a former training and career development specialist at Google who now runs her own company as a career and business consultant and speaker—has a solution: the pivot. Pivoting is a crucial strategy for Silicon Valley tech companies and startups but it can also be a successful strategy for individuals looking to make changes in their work lives. This book will introduce you to the Pivot Method and show you how to take small, smart steps to move in a new direction—now and throughout your entire career. No matter your age, industry, or bank account balance, Jenny's advice will help you move forward with confidence. Pivot also includes valuable insight for leaders who want to have more frequent career conversations with their teams to help talented people move and grow within their roles and the broader organization. If change is the only constant, let's get better at it. Your career success and satisfaction depends on your ability to navigate change well and this book can help you do so.

" Looking to make a career change? Pivot is a book you will turn to again and again. " —Daniel H. Pink, author of To Sell Is Human and Drive If you've got the perfect job or business, congratulations. But if you are even a little bit uncertain that your current gig is the right one, it is time to start thinking about your next move. In the new world of work, it's the only move that matters. What's next? is a question we all have to ask and answer more frequently in an economy where the average job tenure is only four years, roles change constantly even within that time, and smart, motivated people find themselves hitting professional plateaus. But how do you evaluate options and move forward without getting stuck? Jenny Blake's solution: It's about small steps, not big leaps—and the answer is already right under your feet. This book will teach you how to pivot from a base of your existing strengths. Pivoting is a crucial strategy for Silicon Valley tech companies and startups. Jenny Blake—a former training and career development specialist at Google who now runs her own company as a career and business consultant and speaker—shows how pivoting can also be a successful strategy for individuals looking to make changes in their work lives, whether within their role, organization or business, or setting their sights on bigger shifts. When you pivot, you double down on your existing strengths and interests to move in a new, related direction, instead of looking so far outside of yourself for answers that you skip over your hard-won expertise and experience. It empowers you to navigate changes with flexibility and strength—now and throughout your entire career. Much like the lean business principles that took Silicon Valley by storm, pivoting is the crucial skill you need to stay agile, whether or not you are actively looking for a new position. No matter your age, industry, or bank account balance, Jenny's advice will help you move forward strategically. Her Pivot Method will teach you how to: · Double down on existing strengths, interests, and experiences. Identify what is working best and where you want to end up, then start to bridge the gap between the two. · Scan for opportunities and identify new skills without falling prey to analysis paralysis or compare and despair. Explore options by leveraging the network and experience you already have. · Run small experiments to determine next steps. Do side projects to test ideas for your next move, taking the pressure off so you don't need to have the entire answer up front. · Take smart risks to launch with confidence in a new direction. Set benchmarks to decide when the time is right to go all-in on your new direction. Pivot also includes valuable insight for leaders who want to have more frequent career conversations with their teams to help talented people pivot within their roles and the broader organization. No matter your current position, one thing is clear: your career success and satisfaction depends on your ability to determine your next best move. If change is the only constant, let's get better at it.

'Looking to make a career change? Pivot is the book you will turn to again and again!' Dan Pink, author of To Sell Is Human and Drive 'Now you, too, can think like a start-up and fix your ailing life!' Sunday Times 'A guide for people who want a career change but are too scared to really go for it! Elle It's always the right time to think about your next move. In today's economy the average job tenure is only four years, and falling. Roles change constantly. Even smart, motivated people hit professional plateaus. 'What's next?' is a question we all have to answer more frequently. But how do you advance without getting stuck? In Pivot, Jenny Blake, co-creator of Google's Career Guru Programme, shows you how to build upon your assets - your strengths, interests and networks - to launch a new career with meaning and adventure. You will learn how to redirect your energy, scan for opportunities and identify new skills without falling prey to 'analysis paralysis' or 'compare and despair'. From the founder of the influential website Career Contessa, an invaluable career resource for women feeling stuck or unfulfilled that combines actionable advice, learning tools to make impactful life changes, and an in-depth discussion of how to build a meaningful career on your terms. With her popular website Career Contessa, Lauren McGoodwin built an audience of ambitious, professional, millennial women who thought they did everything right—they got the degree, the internship, and even the promotion—but still wondered why they felt stuck and unfulfilled. The first site of its kind to focus on the unique, complex aspects of women's careers, Career Contessa offers women the smart advice they deserve, in a voice that resonates. Drawing on the insights and lessons developed from Career Contessa, Power Moves is the essential handbook that helps professional women truly feel understood so they can bypass perfection and planning and head straight to evolving. McGoodwin addresses young professionals ' number-one concern: career transitions and growth, and engages them with specific goals, including: What is a Power Move and why they matter Cutting out comparison, shame, and self-loathing How to abandon the elusive " dream job " Embracing your inner questioner, your inner quester, and your inner-quitter Making money moves and taking control of your financial future Tuning out from the noise and tuning into your voice Power Moves is filled with the information, guidance, advice, and essential tools, (including helpful graphics) that can help women take decisive, bold steps without self-doubt and fear, Power Moves shows women how to build a successful career on their own terms.

Women tend to be inherently cautious, so to the point of overthinking their every move. This may help them stay safer than their male counterparts, but it also keeps them stuck in the action-frit, take-it-til-you-make-it ethos celebrated in the tech world shaking up the workforld today. What if women embraced the startup spirit? What if they had the confidence to take chances, even if they knew they may fail first? What if instead of agonizing over which step to take, they leapt forward quickly? These are the traits that helped Silicon Valley redefine our culture, and not surprisingly, these are the same lessons that can help all women succeed in all stages of their careers.In Fearless and Free, author Wendy Sachs has provided what O, The Oprah Magazine has called " pity, invaluable guidance to women stymied in the workplace. " With lessons learned from a wide range of women who faced down fears, roadblocks, and failures to reinvent themselves, Sachs ' s invaluable resource teaches women how to • Boost their confidence • Sell their story • Capitalize on their skills and expand them • Nurture their network • Brand themselves—without bragging • Reposition themselves for reentering the workforce • And much more!By taking the disruptive methods that helped Silicon Valley send shockwaves across industries, Fearless and Free seeks to empower women in the workforce, showing them how to lean into their strengths, increase confidence, and make their impact known loud and clear.

The proven, effective strategy for reinventing your business in the age of ever-present disruption Disruption by digital technologies? That's not a new story. But what is new is the "wise pivot," a replicable strategy for harnessing disruption to survive, grow, and be relevant to the future. It's a strategy for perpetual reinvention across the old, new, and new elements of any business. Rapid recent advances in technology are forcing leaders in every business to rethink long-held beliefs about how to adapt to emerging technologies and new markets. What has become abundantly clear: in the digital age, conventional wisdom about business transformation no longer works, if it ever did. Based on Accenture's own experience of reinventing itself in the face of disruption, the company's real world client work, and a rigorous two-year study of thousands of businesses across 30 industries, Pivot to the Future reveals methodical and bold moves for finding and releasing new sources of trapped value—unlocked by bridging the gap between what is technologically possible and how technologies are being used. The freed value enables companies to simultaneously reinvent their legacy, and current and new businesses. Pivot to the Future is for leaders who seek to turn the existential threats of today and tomorrow into sustainable growth, with the courage to understand that a wise pivot strategy is not a one-time event, but a commitment to a future of perpetual reinvention, where one pivot is followed by the next and the next.

Inspiring stories and success secrets from business leader and entrepreneur Amy Hilliard Pivot for Success tells business leader and entrepreneur Amy Hilliard ' s stories of success, struggle, and sustainability to inspire you to become resilient. Hilliard offers her hard-won perspective on what it takes to "make it" in American business and in life. She talks about the tough stuff, the stuff that most people who rise to her level of accomplishment aren't eager for others to know. Few women, and few women of color, have created multi-million-dollar brands in senior corporate positions, legendary entrepreneurial environments, and start-ups. Hilliard ' s fearless honesty in revealing her experiences can help you find your way forward, even if you face obstacles in today's business environment. While Hilliard is a Harvard Business School graduate, Pivot for Success contains lessons not taught in school. Her perspective on success and the failure it often takes to succeed are invaluable. In this book, you will learn the 10 Pivot Points that have led Hilliard to where she is today, including Purpose, Passion, Perseverance, Positivity, Priorities, and more. The 10 Pivot Points you'll learn in Pivot for Success have been tried and tested, and even endorsed by Michelle Obama. In this book, Hilliard shares her impactful life lessons. No matter who you are or where you are in your life ' s journey, you ' ll need to gain vision, shift your energy, and make moves in order to get where you ' re going. Through Pivot for Success, you ' ll find that you can succeed, even when you think you've lost it all. Gain inspiration from Amy Hilliard's rise and resilience to multi-million-dollar success Leverage the 10 Pivot Points to best fit your goals in business and in life Learn to recognize when you ' re on the right track or bounce back if your situation calls for a change of outlook and strategy Build the courage to take risks, shift your perspective, and discover new opportunities As the owner of three businesses, Amy Hilliard knows what it takes to hustle and get there. In Pivot for Success, she shows you how.
