Pocahontas (US: / ˌ p oʊ k ə ' h ɒ n t ə s /, UK: / ˌ p ɒ k -/; born Matoaka, known as Amonute, c. 1596 – March 1617) was a Native American woman notable for her association with the colonial settlement at Jamestown, Virginia. She was the daughter of Powhatan, the paramount chief of a network of tributary tribes in the Tsenacommacah, encompassing the Tidewater region of Virginia.

### *Pocahontas - Wikipedia*

Pocahontas, also called Matoaka and Amonute, Christian name Rebecca, (born c. 1596, near present-day Jamestown, Virginia, U.S.—died March 1617, Gravesend, Kent, England), Powhatan Indian woman who fostered peace between English colonists and Native Americans by befriending the settlers at the Jamestown Colony in Virginia and eventually marrying one of them.

## File Type PDF Pocahontas

American heroine.

Told from the viewpoints of Pocahontas and John Smith, describes their lives in the context of the encounter between the Powhatan Indians and the English colonists of 17th century Jamestown, Virginia. Reprint.

For the first time, the true story of Pocahontas is revealed by her own people.

Camilla Townsend's stunning new book, *Pocahontas and the Powhatan Dilemma*, differs from all previous biographies of Pocahontas in capturing how similar seventeenth century Native Americans were--in the way they saw, understood, and struggled to control their world---not only to the invading British but to ourselves. Neither naïve nor innocent, Indians like Pocahontas and her father, the powerful king Powhatan, confronted the vast might of the English with sophistication, diplomacy, and violence. Indeed, Pocahontas's life is a testament to the subtle intelligence that Native Americans, always aware of their material disadvantages, brought against the military power of the colonizing English. Resistance, espionage, collaboration, deception: Pocahontas's life is here shown as a road map to Native American strategies of defiance exercised in the face of overwhelming odds and in the hope for a semblance of independence worth the name. Townsend's Pocahontas emerges--as a young child on the banks of the Chesapeake, an influential noblewoman visiting a struggling Jamestown, an English

gentlewoman in London--for the first time in three-dimensions; allowing us to see and sympathize with her people as never before.

A biography of the famous American Indian princess, emphasizing her life-long adulation of John Smith and the roles she played in two very different cultures.

In 1607, when John Smith and his "Coatmen" arrive in Powhatan to begin settling the colony of Virginia, their relations with the village's inhabitants are anything but warm. Pocahontas, the beloved daughter of the Powhatan chief, is just eleven, but this astute young girl plays a fateful, peaceful role in the destinies of two peoples. Drawing from the personal journals of John Smith, American Book Award winner Joseph Bruchac reveals an important chapter of history through the eyes of two legendary figures. Includes an afterword, a glossary, and other historical context.

Pocahontas was just a child when her world changed forever. White men from across the ocean built a fort near her village. Most likely, Pocahontas had never seen a white man before. Some of her people feared the settlers, but Pocahontas wanted to know more about them. She took the settlers food and taught Captain John Smith her language. Find out how this bright, brave young girl became an ambassador for her people, helping to keep the peace between them and the settlers—at least for a while. Discover how she charmed all of England, and why she still captures the hearts of Americans.

## File Type PDF Pocahontas

Examines the life of the Indian princess Pocahontas and her contact with English settlers, especially John Smith.

Before Pocahontas saved John Smith . . . she was a girl ready to explore! Pocahontas is always looking for an adventure. When Nakoma's younger brother falls ill and the tribe's healer needs a special herb to treat him, Pocahontas recruits Nakoma to come with her on a harrowing journey. Will the two girls retrieve the plant in time? Or will their differences cost them the mission and their friendship?

The cherished daughter of the Great Chief Powhatan, Pocahontas helps the English colonists at Jamestown fight thirst and starvation and becomes the toast of the town while visiting London. Reprint.
