"Ruthless Focus will spark a true revolution in your company as it has in ours. The examples and insights Tom Hall shares highlight the benefits of this simple, yet often overlooked business strategy." Jason Lexell, President, Digital Harvest, Inc. "Ruthless Focus is the most important business book I have ever read. If you want to outperform your competition, read Ruthless Focus and apply the lessons-good luck without them." Chip Webster, President, Vistage Florida Why do so many companies seem to stall and stagnate while a relative few grow and prosper? What are the ingredients that combine to give some really successful growth companies long-term sustainable advantages? Why aren't more companies like them? Why do some organizations have great promise at the beginning but they quickly plateau? Does anyone stay small on purpose? Success and growth are not inevitable. In this book, you'll read about some companies who have been successful for decades. And you'll learn what sets them apart from the competition. We call it "Ruthless Focus." We'll show you companies that are successful for years by maintaining a Ruthless Focus on a single, simple, core strategy. Ruthless Focus drives out temptation and distraction. Ruthless Focus helps you concentrate your time and resources and people and innovation on coming up with ways to be grow profitably, and to design your organization to make it work.

Ruthless lays out the secret to rapid business growth by showing you how to magically invent more time, catapult your energy, and boost the productivity of your resources. Author Val Wright has worked with leaders of all stripes—from doctors to musicians to Fortune 50 C-suite executives—to help them unlock their potential and achieve the next level of success. Her experiences have shown time and time again that it's not the economy, or the market conditions, or the competition that's holding your business back. The secret to exponential growth lies within how leaders ruthlessly manage their time, energy, and resources in parallel. Everyone is on a virtual center stage with the whole world watching and reporting every move, leaders need to know how to be ruthless in a thoughtful way. This book shows you how to become that kind of leader, and how to adopt the habits, skills, and practices of some of the most successful business leaders of our time. You'll learn how to become sensibly selfish, how to spend your time and energy, and what issues to delegate or ignore so you can clear your slate to focus on what really matters to you. In a world where rapid growth is the new norm, we have input overload. Leadership is much-lauded but commonly under-practiced in business today. This book is designed to help you shape your leadership to drive business growth, get you promoted faster, and create a life that you love. Recover your time and energy away from black holes Focus on the factors that really impact your business Identify and build the all-star team you need tomorrow—today Create magnetic support and followership Learn the secret to pulling ahead of the competition With all the boardroom handwringing about products, the new consumer, and financial results, it's easy to get sucked into issues that ultimately have only a granular effect on real growth. Thoughtfully Ruthless leadership differentiates remarkable leaders and companies. This book provides a model for growth-oriented leadership, and lays

The must-read summary of Amir Hartman's book: "Ruthless Execution: What Business Leaders Do When Their Companies Hit the Wall". This complete summary of the ideas from Amir Hartman's book "Ruthless Execution" shows that every business, no matter how successful, eventually hits difficulties. When this happens, most businesses choose one of two strategies: trusting that hype will gloss over problems or savage layoffs combined with massive, unpopular cost cutting. In his book, the author suggests a third way that ensures long-term profit and growth, as well as refocusing the business in the short term. Ruthless execution has three key features: leadership, governance and critical capabilities. This summary explains
