differentiate curriculum for gifted students. The emphasis provided to educators regarding the importance of the standards to academic success often relegates the need for differentiation to a secondary level thus resulting in the ...

Differentiating the Common Core Standards: A Model

Bette Gould and Sandra Kaplan (yes, two people developed this framework!) looked to understand how an expert understands their field differently from a layperson. Through interviews, they saw that these experts knew things like repeating patterns, required rules, ethical dilemmas, changes over time, and essential vocabulary within their field.
