The scapegoat complex: Toward a mythology of shadow and ...

The scapegoat theory of intergroup conflict provides an explanation for the correlation between times of relative economic despair and increases in prejudice and violence toward outgroups. Studies of anti-black violence (racist violence) in the southern United States between 1882 and 1930 show a correlation between poor economic conditions and outbreaks of violence (e.g., lynchings) against blacks.

Sylvia Brinton Perera - Wikipedia

The word "scapegoat" is a mistranslation of the word Azazel (In Hebrew: ?????). The Septuagint, an early Greek translation of the Old Testament, had incorrectly translated Azazel as ez ozel - literally, "the goat that departs" - and translated the word as tragos apompaios, meaning "goat sent out".
