reader, 22 MB Overview: The
Economist is a global weekly
magazine written for those
who share an uncommon
interest in being well and
broadly informed. Each issue
explores the close links
between domestic and
international issues,
business, politics, finance,
current affairs, science,
technology and the arts.

'The Romantic Economist is a miracle, combining sophisticated economics with, of all things, sophisticated literary criticism - in aid of the economics. An economics that recognized our Wordsworthian selves, Richard Bronk argues in a lucid and learned style, would do much better at the analysis of getting and spending.
