NOWHERE IS SAFE... When a quaint village in the United Kingdom is stuck by a suicide bomber, the once proud nation is brought to its knees with grief. Yet that first attack was just the beginning of something much greater and much worse. Something that nobody could ever have predicted. The days that follow will determine if the UK even has a future left, or if it will be reduced to anarchy and ashes. The only person that stands between the people of the UK and its complete destruction is an angry, damaged ex-soldier named Sarah Stone. Sarah despises her own country and what it did to her, which is what makes it so hard when she is forced to save it. SOFT TARGET is the first in a series of books featuring acerbic protagonist Sarah Stone. It is a non-stop action thriller in the same vein as 24.

You have to know your enemy to defeat him. You have to survive long enough to find out who it is to have a chance. When an enemy sends a surrogate to kill him, Adam Drake is caught off guard. He's used to being the hunter, not the hunted. But as the enemy keeps coming, he senses there might be more at play than just someone who wants him dead. SOFT TARGETS is the sixth book in the Adam Drake thriller series. If you like a "fast moving," "well-crafted plot" with "superb characters" that's "believable" and "front-page current," then you'll love the latest installment of Scott Matthews's page-turning thriller series.

When an elderly suicide bomber strikes a quiet English village, a once proud nation is brought to its knees. Yet this first attack is just the start of something far greater and much much worse. Only one person has a chance to halt the impending terror attacks: damaged ex-soldier, Captain Sarah Stone. Sarah despises her own country for what it did to her, and that's what makes it so hard when she is forced to save it, but when an old enemy takes credit for the attacks, her thirst for vengeance forces her to take action. SOFT TARGET is the first in a series of books featuring acerbic heroine Captain Sarah Stone and the Major Crimes Unit. It is a non-stop action thriller in the same style of Jack Reacher, Tom Clancy, and 24.
