Argues that the legendary character Sweeney Todd was an actual historical figure who committed his crimes in eighteenth-century London and was victimized by the poverty and crime that was prevalent in the underworld of that time period.

'Ladies and Gentlemen...I have to state that Mrs Lovett's pies are made of human flesh!' This shocking announcement provides the stunning dé nouement to a narrative first published over a period of four months in the winter of 1846-7. The revelation marked only the beginning, however, of the notorious career of Sweeney Todd, soon known to legend as the 'Demon Barber' of London's Fleet Street. The story of Todd's entrepreneurial partnership with neighbouring pie-maker Margery Lovett - at once inconceivably unpalatable and undeniably compelling - has subsequently provided the substance for a seemingly endless series of successful dramatic adaptations, popular songs and ballads, novellas, radio plays, graphic novels, ballets, films, and musicals. Both gleeful and ghoulish, the original tale of Sweeney Todd, first published under the title The String of Pearls, is an early classic of British horror writing. It combines the story of Todd's grisly method of robbing and dispatching his victims with a romantic sub-plot involving deception, disguise, and detective work, set against the backdrop of London's dark and unsavoury streets. This edition provides an authoritative text of the first version of the story ever to be published, as well as a lively introduction to its history and reputation.

In this version of the old melodrama, Todd has some grounds for his nefarious activities: his wife was abducted and raped by the Judge and his daughter abandoned, while he himself was deported on a false charge. He returns to avenge his family, accompanied by a sea captain, Anthony, whose life he has saved. Anthony falls in love with a young girl, the Judge's ward, who turns out to be Todd's daughter. Todd, meanwhile, sets up with Mrs. Lovett, the pie maker, and provides her with fillings for her pies. He proceeds with his vengeful plans but the outcome is bitterly ironic.

Sweeney Todd is a barber who murders his customers and turns their remains into meat pies sold at the pie shop of Mrs. Lovett, his partner in crime. His barber shop is situated in Fleet Street, London, next to St. Dunstan's church, and is connected to Lovett's pie shop in nearby Bell Yard by means of an underground passage. Todd dispatches his victims by pulling a lever while they are in his barber chair, which makes them fall backward down a revolving trapdoor and generally causes them to break their necks or skulls on the cellar floor below. If the victims are still alive, he goes to the basement and "polishes them off" by slitting their throats with his straight razor.
