Using plain and clear language helps your audience read, understand and use the information you are giving them. Tip: Where possible, choose a simple word or phrase over a complex one. Writing in short, simple words doesn't mean you are [dumbing down] the message.

Use clear and simple language — Federation University

The Clear & Simple LH ovulation test works by monitoring the levels of LH (luteinising hormone) in the urine; LH is always present in the urine, but the levels increase slightly before ovulation. The test detects this rise and subsequently shows a positive result in the results window.

Clear & Simple — Pregnancy Test Guide

Independent vs. dependent variables, control vs. experimental groups, and the role of constants are explained in this khan academy-style video.utu

Experiments Explained: Clear and Simple! Learn the Basics

"Clear and Simple as the Truth" is also in classic style, a smooth, relaxed read, and yet with an underlying thump-thump-thump to the prose. Apart from a few places, such as the Strunk and White put-downs, there is a monotonous tone to the work, and no sparkle.

Clear and Simple as the Truth: Writing Classic Prose

October 13th, 2020 Clear & Simple: Monitoring Access with Duo Trust Monitor Trust is a fickle thing. Some people in life assume that trust should be implicit - that you can trust others based on little more than intuition, a smile or a handshake.

Clear & Simple: Monitoring Access with Duo Trust Monitor

Clear & Simple changed the way I think about organizing and living more simply. Their systems make it easy. Merrilee Buchanan, Villa Leadership. I've worked with Clear & Simple many times and it's been worth every red cent. It even helps me attract more clients due to the new openness, creativity, and peace that is the result of organization.

Clear and simple as the truth Writing is an intellectual activity, not a bundle of verbal skills. For classic style, successful presentation consists of aligning language with truth, and the test of this alignment is clarity and simplicity. Good style is defined not by a set of techniques, but by an attitude toward writing.

Summary of Clear and Simple as the Truth, by Francis Noel

At Easy and Clear, we are experts at converting complex information into easy read - for adults and young people with learning disabilities. We also write and produce easier to read information for other groups who may not have a learning disability but still need information in an inclusive format.
