Online Library The Little Theatre By The Sea Escape To Sunny Sardinia With The

replace theatre as a source of large-scale spectacle, the Little Theatre Movement developed in the United States around 1912. The Little Theatre Movement served to provide experimental centers for the dramatic arts, free from the standard production mechanisms used in prominent commercial theatres. In several large cities, beginning with Chicago, Boston, Seattle, and Detroit, companies formed to produce more intimate, non-commercial, non-profit-center
