The Lost Fleet: Beyond the Frontier – Penguin Random House

Recovering from the last installment, "Leviathan" is a strong finish to the Lost Fleet series - if indeed this is the end. This does seem like a good spot to end it on, though. Astonishingly, Campbell has tied up not only the main conflicts and issues up to this point, but also most of the loose ends of the subplots, and mysteries that have been lingering around since the early days.

Leviathan (The Lost Fleet: Beyond the Frontier, #5)

The Lost Fleet is a military science fiction series written by John G. Henry under the pen name Jack Campbell. The series is set one-hundred-plus years into an interstellar war between two different human cultures, the Alliance and the Syndics. The protagonist of the story is discovered floating in a suspended animation escape pod one hundred years after he made a "heroic last stand" against an enemy fleet. In his absence, he has been made into a renowned hero in the Alliance, but his legend and
