visit by her born-again mother, Iraq war vet Ellie helps an army buddy track down his missing brother in Yangshuo, where she uncovers a dangerous conspiracy involving a biotech company, eco-terrorists, an art-obsessed billionaire and numerous cats."

We think we will be happy when we have some downtime-when we can finally go on vacation, disconnect, shut down. But in this provocative book, Todd Buchholz will convince you that what you really want is to chase your tail-even if you never catch it. Weaving in everything from neuroeconomics to evolutionary biology to renaissance art to General Motors, Buchholz will convince you that the race to compete has not only made us taller and smarter, it's what we love and need. Among the book's many counterintuitive takeaways are: * Put off retirement-it can make you stupid. * We all need to be control freaks. * In-house competition is actually great for morale. * Never let the ninth place team take home a trophy. Witty, breezy, and very funny, Todd Buchholz shows that it's the race itself that literally delivers the rush, even if we never reach the finish line.

Rosie the rabbit befriends a boy who leads her on a wild adventure with a tiger. Lists the birth years and characteristics of individuals born in the Chinese Year of the Rabbit.

“I Was a Rat!” So insists a scruffy boy named Roger. Maybe it’s true. But what is he now? A terrifying monster running wild in the sewers? The Daily Scourge is sure of it. A victim of “Rodent Delusion”? The hospital nurse says yes. A lucrative fairground freak? He is to Mr. Tapscrew. A champion wriggler and a budding thief? That’s what Billy thinks. Or just an ordinary small boy, though a little ratty in his habits? Only three people believe this version of the story. And it may take a royal intervention—and a bit of magic—to convince the rest of the world. Set against the backdrop of a Royal Wedding—and a playful parody of the press, *I Was a Rat!* is a magical weaving of humor, fairy tale, and adventure.
