The Ultimate Book of Space - Walmart.com - Walmart.com

This book is the best space theme book for kids out there. My son is into this theme, so we have them all- National Geographic, Usborne etc. None comes close to this one. Usborne is too cartoonish. National Geographic is not as exciting. It is somewhat fragile- I would not give it to a 1 year old, but my 2.5 year old appreciates it a lot.

Amazon.com: Customer reviews: The Ultimate Book of Space
