Time Zones is a motivating new four-skills series for teenagers, with a strong international focus. It combines a communicative approach to learning English with stunning National Geographic images, video, and content. The series features educational content covering four exciting areas: people and places, the natural world, history and culture, and science and

File Type PDF Time Zones 1 Student Book By National

education. With Time Zones, learners will:

- EXPLORE amazing places and fascinating cultures with National Geographic and our team of young global reporters
- DISCOVER the exciting worlds of science and technology, nature, history, geography, and popular culture
- LEARN how to use English to communicate effectively in the real world, by developing both language and critical thinking skills

Time Zones, Third Edition uses amazing photography, updated videos, and inspiring stories of global citizens to encourage teenage learners to explore the world in English. Through teacher-tested language lessons, carefully scaffolded practice activities, and teaching resources that keep classrooms engaged, Time Zones, Third Edition delivers the skills and language that learners need for wherever they're going next.
