States is also a constitutional democracy, meaning that the functions and roles of the government are governed by the constitution that also protects the rights and privileges of the citizenry regardless of whether they are majority or minority.

Is the United States a Republic or a Democracy? - WorldAtlas
Government and Democracy in the U.S. The United States is a representative democracy, which means that the citizens elect the government. The democracy in the United States formed with the 13 colonies and the very first constitution written in the confined small space in top secrecy. It may not be the best form of government, but many believe it to be the best out of all the ones that exist today or have existed in the past. Power of Democracy.
